Sponsorship Packages

Discover the remarkable possibilities that await your organisation at the AI, Data, and Robotics Forum 2024 (ADRF24). As a premier annual event, ADRF offers unparalleled dissemination, visibility, and networking opportunities for sponsors and exhibitors alike. The theme of the 2024 edition of ADRF will be ***European Sovereignty in AI, Data and Robotics.***

Join us to showcase your ADR activities and how they demonstrate the successful interaction between the three technologies. Connect with industry pioneers and shape the future of responsible innovation.

Innovation and competitiveness are drivers for Europe's growth as a thought-leader, a global collaborator and progressive player in developing responsible ADR technologies. European sovereignty relies on a robust digital economy where Europe leads globally in technological standards and practices, while derisking its digital infrastructure from external dependencies.

Explore our sponsorship packages and exhibition opportunities to secure your place at ADRF 2024. Don't miss this chance to unlock new horizons for your organisation and make a lasting impact in the ADR ecosystem.
